Child / Adolescent Intake Checklist

The professionals at Alabama Psychiatric Services appreciate the opportunity to provide behavioral health care services to you and your child. As you were advised when making your child's appointment, there are a few items we would like you to complete and bring with you to your first appointment. This checklist is provided as a tool to assist you in this process. Thank you in advance for your cooperation.

- APS New Patient Information Form
- Parent Questionnaire Pages 1-4 Completed (Required)
- Custody Papers Copied (Required in cases of divorced parents) **Please be aware that the parent having custody must accompany a child/adolescent to the first appointment.**
- Family Physician Questionnaire
- Insurance Card
